

NOTICE REGARDING CEMETERY LOTS
IN THOMPSON TOWNSHIP CEMETERY
SCHOOLCRAFT COUNTY

This notice contains important information about cemetery lots in the Thompson Township Cemetery. Please read it carefully.

It has come to the attention of the Township that some residents may not have proper deeds or titles for cemetery lots where their loved ones are to be laid to rest. State Law requires that we have correct and accurate ownership records before a burial can be authorized. Missing or mislabeled deeds could lead to complications and delays during already difficult times.

To ensure a smooth process and honor your family's wishes, we kindly ask all lot owners or heirs to locate and keep safe all cemetery deeds or titles.

If you find that they are missing, the Township offers the option for affected residents to sign an affidavit to transfer the lots into their ownership. This will help us maintain accurate records and ensure that your wishes are respected when the time comes.

If you have any questions or need assistance, please reach out to the Township Clerk or Township Supervisor.

Thank you for your attention to this matter and your cooperation in keeping our cemetery records up-to-date.

Sincerely,

Thompson Township Board of Trustees
